Designation Director of Fisheries,
Station Ronapettah, Madras.

Received 18 JAN 1953 Registered

To

The Secretary to Government,
Development Department,
Fort St.George,
Madras.

No. 31912-C3/52, dated 6th January 1953.

Sir,

Sub:- Education--Fisheries--Fisheries Higher Elementary School, Chervathur in South Kanara District--additional accommodation--Providing of--Sanction--requested.

The Chervathur Fisheries Elementary School, has been raised into a Higher Elementary School by opening Standard VI during 1952-53. Therefore Standards VII and VIII will have to be opened during 1953-54 and 1954-55 in order to make the school a full fledged Higher Elementary School. Sanction for the opening of Standard VII has been accorded in G.O. Ms. No. 5223, Development, dated 5-12-52.

The school is now having only 163 school places against the strength of 185. However, for the present, the accommodation is adequate for the average attendance. When the school becomes a complete Higher Elementary School, the present accommodation will be quite inadequate for the increasing strength of the school. Therefore, an additional accommodation for about 100 children will have to be provided. In addition to the above, the necessity for a coir shed measuring 40' x 15' for conducting

-2-

coir classes is also keenly felt.

The owner of the building in which the Fisheries Higher Elementary School at Chervathur is now housed is willing to provide the additional accommodation and to put up a coir shed on the assurance of being paid the rent fixed by the P.W.D. during 1953-54. An undertaking to this effect has been obtained from the owner of the building.

In the circumstances stated above, I request that the owner of the building in which the Fisheries Higher Elementary School at Chervathur is located may be permitted to construct an extension to the building to provide accommodation for 100 children and to put up a coir shed measuring 40' x 15' during 1953-54 on the assurance of being paid the rent fixed by the P.W.D.
